St. George, Utah 84791-910066

## Utah Museum Policies on Admission of UFOP Members as of January 2012---St George Dinosaur Discovery Site (SGDS)

### 1. For SGDS Volunteers :

All Dinosaur Discovery Site volunteers will have entrance fees waived for both the volunteer and spouse. The Museum Director and Curator will develop an authorized list of volunteers. Volunteers will be considered those who serve the Discovery Site Museum on a scheduled basis and those who donate time and talent to the Museum on a substantial ad hoc basis.

### 2. For Volunteers serving at other natural history museums :

The SGDS will waive entrance fees for actual working volunteers from other natural history museums where the other museum has a reciprocal agreement waiving entrance fees for SGDS Volunteers. The museum will need to provide evidence of the volunteer's status. A UFOP card alone will not be sufficient.

### 3. For Other UFOP Members:

a. Other UFOP members, both in the local chapter and elsewhere in Utah, will be given a 50% discount for the UFOP member on entrance fees to the Discovery Site museum.

b. All UFOP members will be given a 20% discount on a Discovery Site membership that would provide an annual free admission pass for two individuals, a 10% discount in the Gift Shop and a subscription to the Site newsletter.

--Vernal Museum: Free admission only to local Uintah Basin Chapter members.

--Prehistoric Museum in Price: No free admission.

--Natural History Museum of Utah, Salt Lake City: It is not known what the admission policy is at this new museum.

--There is no free admission for UFOP members at any other museums, such as Thanksgiving Point, Ogden museum or Blanding museum.
